

**Echebatar Sustainability Working Group  
Monthly Meeting: Tuesday July 27 2021  
09.30 h (CET)  
Minutes**

Participants

Echebatar: J. L. Jauregui, Ian Scott, Pablo Gonzalez  
AZTI: Ane Iriondo

1. Second Annual Surveillance Audit.

The CAB will send the draft on July 28.

2. PI1.2.1

We await the second annual surveillance report.

3. PI 3.2.2

We await the second annual surveillance report.

4. AGAC

The PCDR was posted on the MSC web site on July 12. Scott will review and send pertinent comments prior to the deadline on August 11.

5. Bigeye

The PCDR indicates that the bigeye UoA may be certified. Echebatar awaits any further stakeholder comments.

6. SIOTI PMT

The PMT has met. Much of the meeting was spent discussing FADWATCH.

7. FADWATCH

The FADWATCH MOU has been signed and the first meeting of the steering group held. Information on FADWATCH is the responsibility of the steering group.

8. Current status coral project

The monthly progress report (July) from AZTI is awaited. A meeting will be held with SIOTI on July 29 to consider the opportunities for this project to be incorporated into FADWATCH.

9. Current status silky shark project

Planning continues with the mini pats to be released in October.

10. Work priorities August - December 2021

We await the second annual surveillance report.  
We will look at potential sources of funds to develop new projects.

11. Any other business

Echebatar has accepted an invitation from MSC to present the projects part financed by OSF to an internal MSC meeting scheduled for September 11.

12. Next meeting

September 7.
